Kathy:

I have such a healthy respect for you that I am sure that you will have many other opportunities, I promise. I appreciate your ability to look at Phil Jeffries and see his good qualities which give me significant insight into your character, I like what I see. I am glad that our paths crossed.

Dear Katherine,

Thank you for all you have contributed to Lincoln Heights. I will miss you as a person as well as all of your creative ideas. You certainly were committed to getting services to our young children. Your contributions to the community will be a lasting memorial. Good luck + please remember to keep in touch. Truly, Marge
