Good early morning everyone,

Just because of the very limited time that I have, I could not send individual emails to those who have greatly marked my life.

Whether you are my professor, adviser, mentor, or dear friend, I want to let you know that you have been a great inspiration for me. I feel that I am extremely blessed to get a part-time job as an instructor in the NCSU Intensive English Program. 'Ironically' enough, a week after I got hired, I received two other offers at public schools that I had to turn down because of my commitment to NCSU (however, I am still very thankful for all your letters of recommendation).

I would like to express my sincerest gratitude to all of you and wish you a relaxed Labor Day.

Thank you for helping me pave my way.

You will always mark my life!

God bless,

Micheline
