Dear Katherine,

At Lincoln Heights
people come and people
go. All leave behind an
important trace of themselves.
But you will leave an
indelible mark.

Your vision and
voice for young

children has changed
our school for the better,
forever.

I will miss you,
but I hope our
friendship continues with
the help of this gift
and our mutual
^{MUSES} muses — past, present,
and future.

Love,
Linda
